

## “Humble As a Child”

**A Child's prayers often sweet, and yet from the heart,  
To humble our self as a child, is sure a good place to start.  
A Child praying to God, way to emotional to speak,  
It lets our tear slowly run down our soft pale pink cheek.**

**Praying for strength, knowledge, wisdom and guidance,  
Praying for victory over fear, danger, sickness and hunger,  
Praying to take care of their dear ones, and keep them safe,  
Praying for lord's angel to give guidance all the time,  
Praying to have God's mercy in every trials of the life,  
Praying to be his loving child all the time.**

**For we may be the child right here, praying to God above.  
As our Father in Heaven, he adores his children with love.  
Be humbled, don't be afraid, and be sorry for your own wrongs.  
In your heart be truthful, yet cry out your needs in prayers.**

**Never question, nor seek demands, place all in his hands.  
Be patient and be calm, as a child we must understand.  
He won't help when life simply drives you wild,  
We have to call his name first and that's "JESUS", my child.**

**God too is the father and we his obedient children.  
Don't forget we are but a child, before one so great.  
Be humbled, gentle and adoring, as a child,  
God will see what's in the child's heart,  
And he will bless the child within our heart.**

**"Therefore, whoever humbles himself like this child is the greatest in the kingdom of heaven"**

**(Mathew 18:4)**
